

14<sup>th</sup> October 2021

Dear Advisors,

It is with great pleasure that we invite you to the fourteenth annual Haberdashers' Boys' School Model United Nations Conference (HabsMUN), to be held from

**Friday 11th March – Sunday 13th March 2022**

Over the weekend, we look forward to welcoming more than 500 delegates, advisors, and guest chairs to our Elstree campus from all parts of the United Kingdom and around the world, truly making HabsMUN the enjoyable conference it is.

### Committees

This year we will have nine committees, debating a wide range of topics. We believe HabsMUN should be a conference for all to explore and develop their love for MUN, so beginners are more than welcome to participate in one of our two beginner committees, **Health** and **SOCHUM 1**. The **Security Council** and the **Special Commission** are reserved for more experienced delegates. All our committees are visible at [habsmun.com/committees.html](https://habsmun.com/committees.html).

At HabsMUN 2022 we would like to give a greater opportunity for guest chairs to be involved in our conference. Should any of your students wish to hold this position, they can indicate this by filling in the Guest Chair Application Form via MUN Manager.

*See Registration below for more details.*
